'Freedom Is a Great Word Nowadays'

As seniors, we enter a world in which many young people are subject to militaristic restriction. More and more, therefore, we cherish our guarantee of personal rights and responsibilities. We realize our good fortune to be able to complete our high school life with its work and activities, and to pursue our plans and our hopes for the future. Through our experience in H.H.S. we know that we have experienced freedom and that it can be the possession of all youth.

Dedication

With humble hearts, we, the members of the 1952 yearbook staff, dedicate "Ye Green Quill" to the unfortunate youth who have not enjoyed the advantages of freedom.

It is our hope that they will someday realize that freedom is more than a vacant stare. We trust that they may eventually experience the liberal education we have had in our schools. It is our desire to see them achieve the benefits of a free education, and learn to direct their own lives in a free and peaceful world.

Four Years of Training for Life in a Free World

The Class of '52 began their enlistment period as very timid recruits who were facing their four years with some anxiety . . . Soon indoctrinated, they began to learn the vernacular and became interested in the many phases of H.H.S. training . . .

Sophomore year found them ready and able to carry out the assignments set for them . . . They distinguished themselves on the stage, in sports, and in music, as well as in classroom activities . . .

Halfway through their enlistment, the Class of '52 set out on the endurance hike of Junior Year with flags flying high . . . They received their insignia of service with the long-awaited arrival of Class Rings . . .

In '52, the Class further distinguished themselves by the enthusiasm with which they planned and carried out such projects as the "Hollywood Premier," in which many seniors took part . . .

Jack Manion guided the Student Council, and George Surace took over the Class Presidency, which "Bart" Fazio had handled for the first three years . . .

Now at the end of their enlistment, the Seniors are to be honorably discharged, and will return to "civilian" life with the knowledge of a job well done and a good record behind them.

Janet Irons, Editor *"Ye Green Quill"*
David Martin, Editor *"H.H.S. Recorder"*

Six issues of the "H.H.S. Recorder" were published this year. The page editor system was used, with Mary Lou Aloisio, Linda Sokoloski, Jack Manion, and Barbara Gour filling these positions.

The paper was awarded high ratings by National Scholastic Press Association, and New York State Student Press Associations. Staff delegates attended annual Empire State School Press Association and Central New York State School Press Association conventions in Syracuse and Utica.

Introduced this year was a new system of separate editors for the "Recorder" and yearbook. This was incorporated in the constitution.

Honoring Student Leaders

At Award Dinner . . . John Manion, Angelo Fazio

Student Council scored another colorful success with its Third Annual Award Banquet, held at North School late in March.

In addition to posting the Master Schedule for club meetings, Council devised and adopted the Merit System for their own members. All students gained a keener insight of Council activities through the reporting of the members to homerooms.

As citizens of the community, Council members were instrumental in launching the bond for the Earl Field project by stimulating the interest of the taxpayers. Meetings with prominent local citizens were held to discuss improving the spirit of students in the town.

Rewarding Service

Five students earned 95 points at the end of their junior year and received activity cups at the Award Dinner, on March 31. They included Mary Lou Aloisio, "Bart" Fazio, Barbara Gour, David Martin, and Janet Irons. At the end of their senior year other students received 95 points and were awarded cups.

The Point System Committee carried on its work of recording the activities of the entire student body under the chairmanship of Barbara Gour.

Developing Culture

Herkimer High School Mixed Choir, consisting of 72 voices, presented a program June 9, over WGY. The choir also sang for a Christmas program at the Liberty Theater, which was later broadcast over WIBX.

In addition to the annual May concert at North School, the choir appeared on short programs for the Elks, Kiwanis, and the New York State Educational Rotary Club.

Girls' and boys' double quartets were formed. Both have appeared at assembly programs and at special programs outside of school.

Choir officers include: president, Joe Martin; vice-president, Don Baker; secretary, Donna Neal; treasurer, Dale Welwood; gown custodians, Doris Gardner and John Panarites.

Director Carl Des Champs

Through his constant effort, Mr. Des Champs has established the H.H.S. A Cappella Choir into a highly accredited singing group. He has been working with this aim for many years. During the last two years, he has contributed extra time to develop the Girls' Choir, which is fast gaining recognition.

The favorable results of the May Choir Festival are accredited to Mr. Des Champs' organization and ingenuity.

Girls' Choir with 60 voices sang numerous selections at the annual May Concert. Girls also appeared in an assembly program.

Officers of the choir are: president, Stella Manikas; vice-president, Carol Marriott; secretary, Ann Manion; treasurer, Diane Randall; librarian, Kay Humphrey.

Developing Culture

Climaxing the activities, H.H.S. band and orchestra traveled to Hyde Park, where they played in the music festival.

In February, the orchestra presented the second "little concert," playing both old and modern music. Selections played for the first time this year were Vaughn Williams' "Sea Songs" and "Little Rhapsody in Blue" by Gershwin. "Showboat" was revived from several years ago. A favorite of students was Prof. Mathers' own arrangement of "Dancing in the Dark."

The band, adding both color and rhythm to the football season, also staged a concert.

Learning the Art of Interpretation

National Thespian Society, Troupe 1082, initiated seven new members in 1952. The society served as the executive committee with officers of the Dramatics Society. Members also had charge of Dramatics Society properties and costumes, and acted as Mr. Frank Gabler's assistants.

All classes were represented in the cast of "Mr. Barry's Etching," the major production for this year. Frank Cimino portrayed Mr. Barry whose hobby was making fifty dollar bills and playing "Robin Hood," by using his etchings to benefit humanity.

"The Weatherman's Secret" was the H.H.S. contribution to the 1952 Tri-City Plays. The weatherman's wife became convinced that her husband had no easy job and decided that she could not cope with the stream of characters who came to complain every day.

Choosing A Vocation

Future Teachers of America, Margaret Tuger Club, sponsored the first Student Day on November 13, when a student was chosen to teach each class throughout the day. George Surace was elected principal by a vote of the entire student body. Josephine Surace was secretary to the principal, while Thomas Fagan was guidance director for a day.

A delegation of four F.T.A. members went to Utica Free Academy to assist the school with their newly organized club, and to talk on F.T.A.

Improving the Home

Future Homemakers of America is a national service club. Each year members make stuffed animals for the American Junior Red Cross.

At Christmas time, F.H.A. sends gifts overseas by way of contributing "friendship among youth" program; at home the group provides gifts of food for the work of the Salvation Army.

For the Annual Award dinner, the Future Homemakers offered their assistance as a serving committee. This year the girls made new curtains for the nurse's office.

During the summer, there is a summer camp and a national convention for girls in the club.

Desiring to Help Others

Study of different fields of nursing was the keynote of F.N.A. activity. Miss Mary Bechtold, local school nurse, spoke on School Nursing at one of the regular meetings.

At a special afternoon program and tea, Sister Mary Alice, a former H.H.S. graduate, and Sister Mary Gertrude from St. Joseph's, Syracuse, spoke on "clinical nursing" and pediatrics. Miss Joan O'Donnell, St. Elizabeth's Hospital, Utica, spoke on "Institutional Nursing."

Several girls assisted Miss Bechtold with her office work. During the "open house" at Herkimer Memorial Hospital, F.N.A. members were taken on a tour of the hospital.

Dances and a bake sale were sponsored during the year to earn money for the school flag fund. The noon hour recreational project for lunch students was carried out again during the winter months.

Extending Service

Junior Red Cross 1951-1952 activities have been typical of their service to the school and community. Over 200 Christmas favors were sent to the Memorial Hospital, the County Home, and three nursing homes.

Sponsored by the J.R.C., students made and distributed posters throughout the town before visits of the Bloodmobile. This service, an original project of the H.H.S. chapter, was rendered by a committee with Elaine Klimacek as chairman.

Regular services of the J.R.C. included sending cards and the *H.H.S. Recorder* to servicemen, and gift boxes to children in other countries.

Key Club

Key Club carried on its tradition of service to the school and town in its 1951-52 activities. The concession at basketball games was resumed to pay the balance for the scoreboard.

Members also were in charge of the concession at the free Kiwanis Dance in May. They ushered at the production of "Brigadoon" sponsored by the Herkimer Kiwanis Club.

They donated their serevices to the Student Council at the time of the Award Banquet. The year's activities were climaxed by sending two delegates, Jim Herkel and Craig Ruhm, to the State Convention in Albany, May 10.

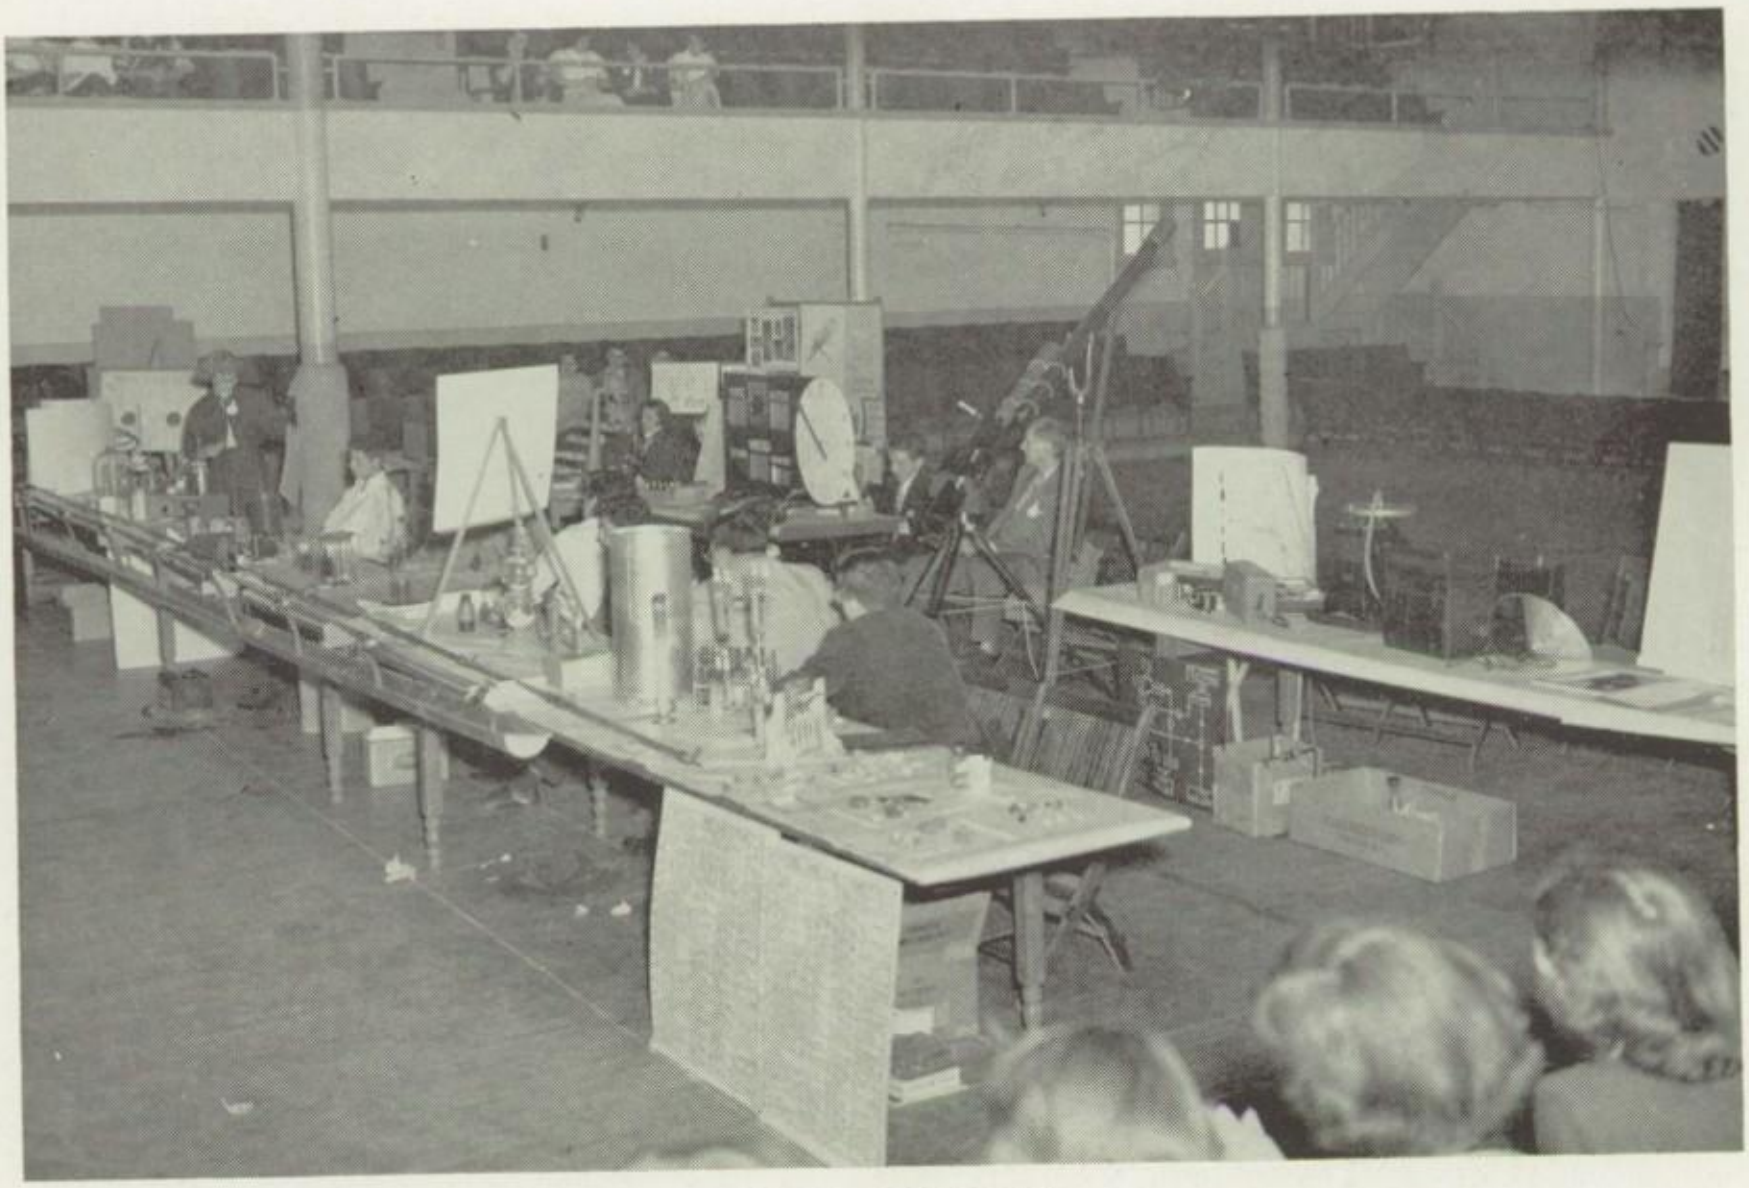
Freedom of Research

Previous to the Fifth Annual Herkimer Science Congress, a meeting of students from area schools who were participating on committees was held under the supervision of the Chem Club. They also sponsored a poster contest to advertise the event.

A field trip to Hansen Laboratories, home of "Junket" Foods, climaxed the year's activities.

Visual Ed. Club has served many of the classes by operating the projector for the showing of movies. In addition, they purchased the lapel microphone for use at the Science Congress.



SCIENCE CONGRESS

Fifth Annual Science Congress

Over 300 spectators filled North School on May 3 to witness the Fifth Annual Science Congress sponsored by the Chem Club. Unlike previous years, the 21 competing schools participated as a regional district rather than a Mohawk Valley sectional. Scientific exhibits and demonstrations by students marked the highlight of the Congress, while movies were shown to vary the program.

Carolyn Weschrob placed third in the Senior Division and became eligible to compete in the First New York State Science Congress held at Oneonta, at which she took sixth place honors, and was awarded a full tuition scholarship at Hartwick College.

Other Herkimer students participating were Joseph Simmons, Peggy Finehout, Edward Crawford, and Mary Lou Aloisio.

The Congress was under the general supervision of Miss Elizabeth Lamphere, adviser of Chem Club.

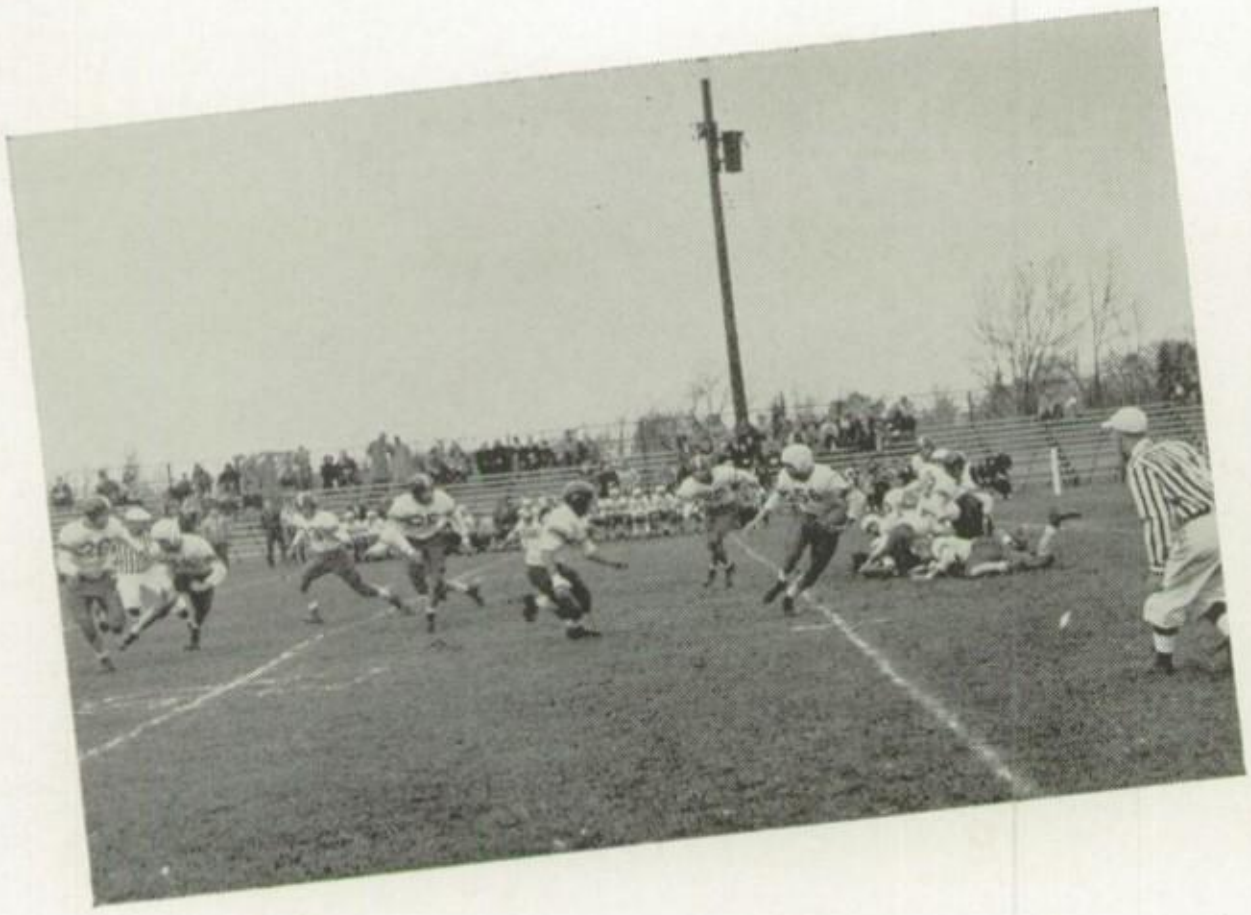
Appreciating Art

In order to further their knowledge and appreciation of art, a group of art students organized an Art Studio. During the year, members visited the Munson-Williams-Proctor Institute in Utica, and the Museum in Canajoharie. The climax of the year was the trip to New York City, when they visited the Metropolitan Museum of Arts and Sciences.

Many of the members worked on the Christmas decoration throughout the school. Others have made posters for H.H.S. clubs, and for community projects.

Freedom to Compete



On the Gridiron

After recording four consecutive shut-out victories, Herkimer High's "Red Magicians" football squad suffered a severe reversal in which the "Magicians" themselves failed to score in their remaining three contests. The four victories, however, were good enough to give the "Magicians" a second place spot in the final M.M.V.I. League standings. The really "tough one" Herkimer dropped was the 9-0 defeat, suffered at the hands of arch-rival Ilion, in the thirty-second game of the Herkimer-Ilion series.

On the Court

Herkimer High School's varsity cagemen completed the 1951-1952 season with an even record, nine wins and nine losses. Actually, the "Magicians" court successes were far greater than the figures would indicate.

Top among the "Andersonmen's" victories were the thrilling twin defeats of Ilion's "Golden Bombers."

Any hope of a Herkimer success in post season tournament play was squelched when the "Magicians" bowed, 58-39, to a strong Proctor squad, of Utica.

By a vote of fellow players, Tony Annutto with his steady, all-around play throughout the season, became this year's winner of the Basloe Trophy.

Junior Varsity

Standing as a strong example of what Coach Anderson meant in frequent references to the 1951-52 season as his "building year" was Herkimer's Junior Varsity basketball squad. Ten of the 12 junior cagers were freshmen. The only veterans were sophomore co-captains, Karl Hoellrich and Phil Cassella.

It was not until mid-season that the juniors had their own coach. Although winning only three while dropping 15, the varsity understudies gained invaluable experience and improved steadily with the season.

Diminutive, but energetic and hardworking, Art Mathews did an excellent job managing both the Varsity and J.V. scores.

Supporting the Team

Varsity and J.V. Cheering Squads managed to generate the necessary school spirit to spur our football and basketball heroes.

Varsity "spirit raisers" held colorful pep assemblies before each major event, and sold reserved seats at all home basketball games.

Besides practicing for games, J.V.'s chartered the busses to out-of-town games.

On the Diamond

Good pitching and timely hitting combined to give the Herkimer diamondmen their most thrilling win as they came from behind 7-3 in the last inning, and defeated Rome Free Academy by an 8-7 count. The same combination also won Herkimer an 11-0 shutout over Frankfort, and a 6-3 triumph over Little Falls.

The "Magicians" dropped both games of a home-and-home series with Ilion; bowed twice to Mohawk's "orange and black," and split a series with Utica Free Academy.

Under the watchful eye of Mr. Robert Palmer, the Freshman team closed its season with two wins and six losses.

On the Track

Herkimer cindermen tied for second place in the M.V.I. meet, with "Toe" Annutto becoming valley champ twice over, winning both the high jump and broad jump. Dan Cooley became top 440 man in the M.V.I.

In a dual meet with Mohawk, the "green and white" speedsters bowed only by dropping the final 880 relay. At the U.F.A. Invitational, Coach Anderson's charges showed up favorably against some of the best schools in the state.

Girls' Competition

Girls' sports included soccer, volleyball, basketball, bowling, softball, and tennis. The soccer season terminated with a record of three losses.

Volleyball teams were defeated by Ilion at a playday held at Ilion, December 8. Home games with Frankfort and Mohawk resulted in victories for the Herkimer girls.

Two basketball teams traveled to Ilion in early March, for an invitation meet. They were defeated by scores of 29-21 and 29-10.

Bowling teams of H.H.S. took second place at a meet held in Ilion, March 18th. Top scorers among H.H.S. bowlers were "Binny" Smith, with an average of 144, and Joan Harter with 135.

On the Slopes

Because of the all-around winter sports facilities at Old Forge, the H.H.S. Ski Club sponsored regular ski buses. On February 2, 1952, students attended the annual Old Forge Winter Carnival, at which Dick Kazmier and Dottie Grover were crowned King and Queen.

A movie, "Winter in New York," was obtained by the Ski Club from the New York State Film Library, and shown in the auditorium for all who were interested. The film showed the fundamentals of skiing, and many of the winter sports of the state.

"I Serve"

The physicians of the Herkimer area salute the 1952 graduating class. From long years of formal education they know the value of that which the diploma symbolizes. But not only do your doctors salute you, they also serve you. You should be informed that:

1. With their colleagues in Oneida, Herkimer and Madison Counties they have established America's first multiple county medical program in order to serve you and yours better and more fully.

2. Throughout three great counties they guarantee the delivery of medical care when needed, regardless of time, place or the ability of the patient to pay.

3. They have set up an emergency system so that when you cannot reach your own doctor, and in an emergency, a call to Herkimer Memorial Hospital will bring medical care.

4. They have established a Mediation Committee to hear any cases of complaint and to assist you in any medical matters.

5. They have taken a stand on matters that affect your health and the health of those in this area.

6. At hospital staff meetings they spend hours in pooling their knowledge for the benefit of the patients in sick beds.

7. In their county medical society they develop top flight educational programs to increase their own ability to serve.

8. They have dedicated themselves to serving the people of your community.

"I Serve" was the motto of a famous French prince in years long gone . . . and it is the motto of the "M. D." today. Yes, your doctors salute you, graduates, but rest a bit more easily with the sure knowledge that they are ever ready to serve you, too!
